R. 4/1/04

I agree to the draft. Although complete works are responsible for a large increase under opening balance - they are now proposed to complete them. Hence most of the variations recommended - The other items are small and have been properly accounted for. The closing balance is estimated to be somewhat smaller than the prescribed minimum but this seems unavoidable

Sir,

I have the honor to submit for sanction the revised District Fund Budget for the current year together with the list of District Fund Works requiring appropriation of amounts for their completion. The closing balance at the end of the year is now estimated at Rs 7182/- which falls short of the prescribed minimum by Rs 1724/- Every endeavour will be made during the current year to maintain the prescribed minimum balance by effecting Savings as far as

possible under the different items of expenditure.

I beg that the Government may be pleased to record sanction to the Budget as now revised.
